1

Download

Install from Google Play / App Store, or visit talabadz.com

2

Sign Up

Create an account with your email, or use your Google account

3

Explore

Discover all features and start your student journey with TalabaDZ

Astuce : No installation needed on PC — just open your browser!

02 MAIN FEATURES

All you need for your university life, in one app

	FEATURE	DESCRIPTION
	Courses	Browse and download course materials — Cours, TD, TP, Exams, Résumés — organized by speciality and year.
	Grade Calculator	Calculate your annual average easily using your own grades (TD, Exam, TP) and coefficients.
	Task Planner	Create tasks with deadlines, priorities and reminders. Track your progress with analytics & achievements.
	Community	Join student communities, share posts, upvote, comment and connect with fellow students.
	Chat	Private and group messaging with classmates. Share ideas, files and study together.
	Bus Schedule	Find bus routes to and from your university, save favourites, and use GPS to locate the nearest stop.
	Class Schedule	Upload and view your weekly timetable — as a clean table or as an image from Gallery/Camera.
	Score & Rewards	Contribute course files → earn points → 500 pts = 500 DA real Flexy reward. Share more, win more!

★ *All features are free and work together seamlessly to support your daily student life.*

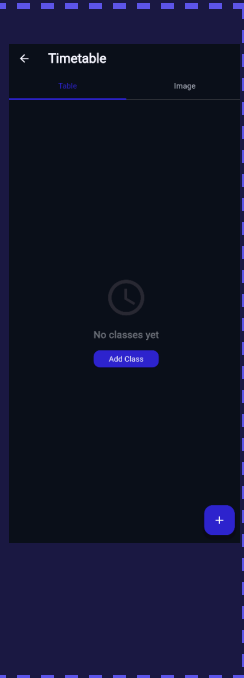

03 USAGE SCENARIOS

Step-by-step guides — add your screenshots in the boxes

1 Download a Course File

4 Create a Task

Étapes :

1. Open Planner tab
2. Tap New Task button
3. Enter title + category + priority + deadline
4. Add reminder → Create Task

6 Manage Your Profile

Étapes :

1. Open Profile tab
2. Edit name / bio / username
3. Toggle Dark Mode
4. Change language + view Score

04 FAQ — Frequently Asked Questions

Answers to the most common questions

Q Can I upload my own course files to help other students?

A Yes! Go to Profile → Score → Contribute. Upload course files, TDs, TPs, exams or résumés. Once approved, you earn points — 500 pts = 500 DA Flexy reward!

Q Is my personal information safe on TalabaDZ?

A Yes! TalabaDZ takes your privacy seriously. Your data is fully secured. You can sign in safely with Google and control your profile at any time.

Q Can I use TalabaDZ without an internet connection?

A Yes! Planner, Grade Calculator and Downloaded Courses work offline. Community, Chat and Bus Schedule require internet.

Q Can I use TalabaDZ on my PC or laptop?

A Yes! Open your browser and go to talabadz.com — no installation needed. All mobile features are fully available on PC or laptop.

Q Does TalabaDZ work on iPhone and iOS devices?

A Yes! TalabaDZ works perfectly on Android, iPhone and any browser. Same smooth experience on any device.

Q Is TalabaDZ still being developed?

A Absolutely! TalabaDZ is continuously growing. New features and updates always on the way. Feel free to share with anyone!

Q Will I be notified about updates and important events?

A Yes! Built-in notification system for task reminders, new messages, community updates and app updates.

Q What should I do if I face a problem?

A Go to Profile → Feedback. Rate your experience, select a category and describe your issue. Our team will reply as soon as possible!
